Jury: TEAM considers three factors - 1. Artisanship 2. Originality 3. Booth Set Up
We focus on local handmade artisans. We do NOT accept directly imported goods or otherwise commercially made (buy/sell) items. Purchased components or raw materials are acceptable, but the handmade element should clearly be seen in final product or artwork sold.

Types of work accepted: TEAM is open to all artists who wish to exhibit pottery, glass, etchings, woodcuts, paintings, fiber, clothing, drawings, photographs, crafts, sculpture, woodworking, assemblage, jewelry and prints. ALL of the work displayed MUST be the design of the artist. TEAM reserves the right to establish categories of art and to limit the number of artists creating work similar in nature. The goal is variety and quality. Any 2-D artist that displays prints of his or her work in the Festival must have at least 50% of the total display consist of original work. If the work is a reproduction, it must be clearly marked as a print, giclee, or reproduction. This does not apply to woodblocks, etchings, and serigraphs or silk-screens.

Space assignments: Each space is a pre-assigned 10x10 space. ***If you wish placement next to another artist you must send your applications and application fees together***. Please be prepared for a one-side-open or a corner (two-sides-open) arrangement with displays. No electrical provided. Because of changes in future growth of the festival, thyout may change from year to year. The same "spot" cannot be reserved for future festivals.
