

2020 TEAM Equinox Fest / ARTIST VENDOR

Saturday, Sept 19th, 2020, 11am – 6pm, RAIN or SHINE
By the river and pavilion on Swasey Parkway
Presented by TEAM and Arts Industry Alliance

Thank you for your interest in the Fest. AIA and TEAM are non-profit organizations committed to the promotion and cultivation of original works by local and regional artists, musicians and performers.

Fees: \$60 Before July 1st ** \$75 After **** / Payable by check or through Paypal.**

There is a \$10.00 non-refundable application fee and a \$50/\$65 booth fee (2 separate checks made out to TEAM). If paying through Paypal, make one \$60/\$75 payment and you will receive a \$50/\$65 refund if not accepted. Applications submitted without both of the fees are not juried.

Once accepted, there are no refunds. If you cancel, you may not reassign your site. We maintain a waiting list and only those artists on the list will be substituted at your site.

Deadlines: Applications MUST be received by Aug 15th, 2020. Applications are juried in the order received and spaces are limited. Notification of acceptance or non-acceptance will be emailed within 2 weeks of receipt.

Jury: TEAM considers three factors - 1. Artisanship 2. Originality 3. Booth Set Up

We focus on local handmade artisans. We do NOT accept directly imported goods or otherwise commercially made (buy/sell) items. Purchased components or raw materials are acceptable, but the handmade element should clearly be seen in final product or artwork sold.

Types of work accepted: TEAM is open to all artists who wish to exhibit pottery, glass, etchings, woodcuts, paintings, fiber, clothing, drawings, photographs, crafts, sculpture, woodworking, assemblage, jewelry and prints. ALL of the work displayed MUST be the design of the artist. TEAM reserves the right to establish categories of art and to limit the number of artists creating work similar in nature. The goal is variety and quality. Any 2-D artist that displays prints of his or her work in the Festival must have at least 50% of the total display consist of original work. If the work is a reproduction, it must be clearly marked as a print, giclee, or reproduction. This does not apply to woodblocks, etchings, and serigraphs or silk-screens.

Space assignments

Each space is a pre-assigned 10x10 space. ***If you wish placement next to another artist you must send your applications and application fees together.*** Please be prepared for a one-side-open or a corner (two-sides-open) arrangement with displays. No electrical provided. Because of changes in future growth of the festival, the layout may change from year to year. The same “spot” can not be reserved for future festivals.
